

## **Acknowledgements**

In October 2010 Maulden History Society was approached to complete a survey of the old churchyard which the Maulden Scouts had started as a project. We decided to extend the survey to cover the whole churchyard. In addition, Chris Calvey of Imagetrica, offered to survey and map the graves.

Collecting and collating the information, plus rechecking took a great deal of time and patience and we would like to thank all those members of the Maulden History Society who helped to collect the initial information – no easy task.

We are indebted to Chris for his patience and endurance in what must have been the worst three summers in history, surveying the graves and buildings. The weather seriously delayed our progress and some sections had to be renumbered as more graves were added to the initial survey over the years.

Finally, our thanks to the Rectors and Churchwardens of St. Mary's for allowing us access to the churchyard.

We have completed the survey as accurately as possible but please let us know if you find any serious discrepancies.

Rosemarie Coyle
